MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

SUBJECT : NFAC Activity Report, 16-20 November 1981

DCI/DDCI Assigned Tasks

° EURA is preparing a paper on Soviet economic leverage over Poland to be delivered to the DCI by 30 November.

° ALA analysts are drafting a memo on the Soviet presence in Peru; it will be delivered next week.

° The TV Center has begun scriptwriting and research for stock footage on the Cuba/Castro teleproduction requested by the DCI based on the [REDACTED] [REDACTED] paper. We are expediting the project on a schedule that calls for completion and final review by the end of December.

25X1

25X1

° OSWR's Technology Transfer Analysis Center (TTAC) drafted the terms of reference for "The Role of the Soviet Intelligence Services in the Technology Transfer Problem."

° In response to the DCI's request, SOVA analysts are drafting an Intelligence Assessment that will expand on the recent SNIE on East-West relations and Soviet military power; it is scheduled for early December completion.

° Responding to the DDCI, SOVA is drafting a memo on the principal research themes which emerged from a November 5, 6 seminar on Soviet perceptions of the correlation of forces in Central Europe.

° On 20 November the requested unclassified study on Soviet forced labor was sent to the DCI.

° NESA completed the typescript memo, Iran-Iraq War: Status, Impact and Prospects.
